

Indian Walk Veterinary Center Telehealth Admission Form

Thank you for entrusting us with your pet's care! We are excited to be offering this new service to ease any convenience or safety concerns of yours. Please review the steps below to best set-up for your upcoming tele-health appointment:

1. Please fill out and submit our pre-appointment form at least 2 hours prior to your appointment so the doctor will have adequate time to prepare for your appointment. Link to pre-appointment form: <https://forms.gle/T3F87dgMmNe4jCym8>
2. You are all set! Go to your appointment link at: <https://doxy.me/indianwalkveterinarycenter> . Feel free to test this link prior to your appointment. This can be performed through your computer or phone. It is best to use this on Google Chrome or Safari. This site is not supported by Internet Explorer. Please make sure your volume and video are activated for the appointment.
3. We will be giving you a call just prior to your appointment time to alert you that the doctor is ready and to enter your appointment "window".
